## 01.

### PEACE OF MIND

Automatic pool covers from Coverstar are a smart investment for any pool owner. These covers offer convenience and peace of mind by automatically opening and closing with just the touch of a button. They are not only easy to use, but also provide safety for children and pets by acting as a barrier to keep them out of the pool area when it's not in use.

## 02. SAVE MONEY WHERE IT COUNTS

Coverstar's pool covers help conserve energy by reducing evaporation and keeping the heat trapped, saving you money on heating and chemical costs. With their durable construction and excellent craftsmanship, Coverstar automatic pool covers are a reliable and long-lasting solution for protecting your pool and ensuring a worry-free swimming experience.

WHY CHOOSE MR. POOLS INC?

# CUSTOMER SERVICE

---

Our company offers a better service than our competitors for several reasons. Firstly, we have a dedicated team of highly experienced professionals who are committed to providing exceptional customer support and satisfaction. Secondly, we utilize cutting-edge technology and innovative solutions to ensure efficiency and effectiveness in our service delivery.

We continuously strive to exceed customer expectations by offering personalized solutions, timely responses, and competitive pricing. With our extensive expertise, technological advancements, and customer-centric approach, choosing our service guarantees a superior and seamless experience for our valued customers.

# BUILT BETTER WITH HAYWARD

## BETTER EQUIPMENT

Hayward Pool Equipment offers high-quality products that are designed to enhance your pool experience. With a wide range of options for pool pumps, filters, heaters, cleaners, and more. Their equipment is known for its durability, efficiency, and innovative features that promote a clean and comfortable swimming environment. Hayward's reliable and technologically advanced products will ensure that you can enjoy your pool to the fullest.

## FAMILY OWNED SINCE 1984

Mr Pools Inc. is a family-owned and operated business that offers several advantages. First, we often have a strong sense of commitment and pride in our work, as our name and reputation are at stake. Secondly, our family works together to have better communication and trust than the competition, leading to efficient decision-making and problem-solving. Additionally, we often have long-term visions that prioritize maintaining the integrity of our company and relationships with our customers. Lastly, our personalized touch and dedication to customer service create a unique experience that sets us apart from larger corporations.

## PRODUCTS

# HAYWARD LIGHTS

BACKYARD ENVY: NOW  
AVAILABLE IN EVERY COLOR.

Investing in lights for your pool is a game-changer. Not only do they enhance the aesthetic appeal of your pool at night, creating a stunning ambiance, but they also extend your pool's usability. Enjoy swimming and hosting gatherings well into the evening, with the added benefit of increased safety and visibility. With a wide range of options available, from vibrant LED color-changing lights to efficient and long-lasting underwater fixtures, pool lights are a must-have addition that will transform your pool into a mesmerizing oasis.

---

# LIGHT THE NIGHT

# SUN LEDGE

Sun tanning ledges for pools are a fantastic addition to any pool area, providing a luxurious and comfortable space to relax and soak up the sun. These ledges offer a convenient, shallow area where you can lie down partially submerged in the water, keeping you cool while still enjoying the warmth of the sun. They are the perfect spot to unwind, read a book, or simply enjoy the tranquility of the water.

NEW

Custom steps to fit the entire family

# SPAS

## ENTERTAIN ON ANOTHER LEVEL

A spa attached to a pool offers the perfect combination of relaxation and recreation in one convenient location. Imagine lounging in warm, bubbling water while enjoying the serene ambiance of your pool surroundings

# STEPS

## MAKE YOUR ENTRANCE

Steel vinyl steps are the perfect addition to your pool as they offer both durability and aesthetics. These steps are made with high-quality steel, ensuring long-lasting performance and resistance to corrosion.
